

a few questions to ask as the year comes to a close:

What did you learn in 2023?

What prayers were answered this past year?

What brought you joy?

Who do you need to thank for helping you make it
through this year?

What is a memory from this past year that you'll be
holding onto forever?

Where did you see the faithfulness of God in your life?

What did you learn about yourself this year?

What are you leaving behind in 2023?

What are you taking with you into 2024?

Finish the sentence

This year I learned . . .

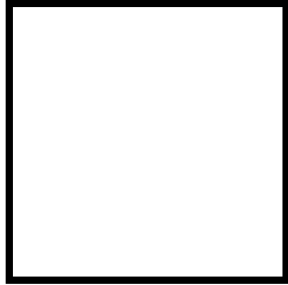

This year I needed to remind myself that . . .

This year God . . .

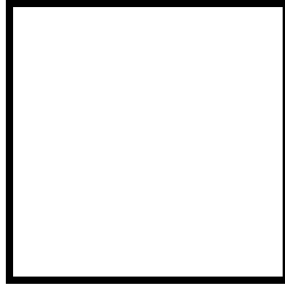

This year changed how . . .

When I look back on this year I'll never forget ...
