"A Night of Hope is an excellent combination of music, poetry, and sharing hope. Blake, Tanner, and Heidi are genuine in their sharing. They share a message of real life. Hope in the middle of the messes. Our audience of youth and adults was engaged the entire time. We thought and felt deeply, and laughed out loud. A great combination!"

A NIGHT OF HOPE

Who is this for?

Night of Hope is for the church and its community.

Depending on your context this can be an event for youth, families, the community, or the entire church.

What Heidi, Tanner, and Blake share is for all.

Why are we doing this?

We believe the world is in desperate need of hearing that hope is real.

We want to come alongside the church and invite attendees to lean into the hope that Jesus offers. Through conversation, art, and teaching we share that hope interrupts our story and invites us to continue forward.

Will you help us brainstorm ways to make this event a success?

We would love to.

We hosted A Night of Hope for our 7th - 12th grade youth. We invited all other area churches in our district to join us for this evening in inviting their youth to come. We had over 97 youth attending and from 6 different congregations. Whether you do it big or if you just have Heidi & Tanner come, it will be a great time. If you are looking for a fun District event, gathering of a couple local churches, or just for dynamic and fun speakers talking about mental health and hope -- this is the event for you, and these are the people to do it. Highly recommend it!!
